#### MOUNT ON HANDLEBAR

Handlebar O/D:  
22.2 - 31.8mm

#### CHANGING BATTERY

CR2032 x 2

#### ⚠ WARNING

1. Make sure rubber strap is fastened on WhiteLite II properly before riding.
2. Although light body is waterproof never intentionally submerge it under water.
3. For ultimate safety, the WhiteLite II should be used in conjunction with a specific night riding light.
4. In addition to its brightness, the beam is widely diffused. In case you need to use this light on public roads, be sure to adjust the angle downward so as not to blind oncoming traffic.

#### WARRANTY

1-year Warranty: All mechanical components against manufacturer defects only. Batteries are not covered under any implied warranty. Warranty Claim Requirements

To obtain warranty service, you must have your original sales receipt. Items returned without a sales receipt will assume that the warranty begins on the date of manufacture. All warranties will be void if the product is damaged due to user crash, abuse, system alteration, modification, or used in any way not intended as described in this manual.

\* The specifications and design are subject to change without notice.
